SHRIMATI MAIMOONA SULTAN: Sir, I would like to know whether M/s. Abbotts are producing animal drugs and whether the formulation capacities of this Company are mostly in respect of non-essential items and on the 18th August 1982, a specific condition was laid down that this Company would achieve the ratio of 1:10 within two years, that is, before 1985, and, if so, I would like to know whether this parameter has been achieved. Failing that, I would like to know whether this Company has exported the entire production and, if so, the name of the country and the names of the formulations. If neither has been done, I would like to know whether the licence has been cancelled or not.

SHRI VEERENDRA PATIL: Sir, this Company, which was started....

MR. CHAIRMAN: Question Hour is over.

WRITTEN ANSWERS TO QUESTIONS

Reeyeled newsprint produced by Tirupati Newsprint Limited

*368. DR. LOKESH CHANDRA:
SHRIMATI MAIMOONA SULTAN:

Will the Minister of INDUSTRY AND COMPANY AFFAIRS be pleased to state:

(a) the quantum of recycled newsprint produced by the Tirupati Newsprint Limited, Champa (Madhya Pradesh) during the year 1984-85; and

(b) whether licences for any more newsprint recycling plants have been issued in order to minimise the need for import of newsprint?

THE MINISTER OF INDUSTRY AND COMPANY AFFAIRS (SHRI VEERENDRA PATIL): (a) The newsprint project of M/s. Tirupati News print Limited has not been set up yet.

(b) Besides the existing installed capacity of 2.80 lakh tonnes for manufacture of newsprint, an additional capacity of 7,75,500 tonnes has been approved by way of Industrial Licences/Letters of Intent, inclusive of the capacity of 79,000 tonnes granted to M/s. Tirupati Newsprint Ltd. Of this, a capacity of 6.96 lakh tonnes is based on de-inking/recycling of waste newspaper.

Allotment of Kerosene to various States

*369. SHRI DIPEN GHOSH: Will the Minister of PETROLEUM be pleased to state:

(a) the State-wise allotted quota of kerosene for the year 1985-86, month-wise;

(b) the State-wise demand for kerosene during the same period;

(c) the actual supply so far made by the Centre to the States, State-wise and month-wise;

(d) the names of the States where demand for kerosene has incrased and what are the reasons thereof; and

(e) what steps Government have taken to meet the situation?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM (SHRI NAWAL KISHORE SHARMA): (a) to (c). The kerosene requirement of States and Union Territories is determined by allowing 5 per cent growth over the allocation made for the corresponding period of the previous year.

A statement giving allocations and supplies of kerosene made to various States/Union Territories from April to July, 1985 is laid on the Table of the Sabha. [*See* Appendix CXXXV, Annexure No. 50].

(d) and (e) Apart from temporary factors like flood, drought, cyclone, shortage of alternative fuels etc. with increasing population, the demand of
